

PARENTS' FORUM

DISCOVERING STORIES

A series of online creative workshops and 1 to 1 interviews to produce a book to give out to all AFRIL families at the end of the academic year.

The book will contain the stories of our cultures, our traditions and the experiences of our lives in the UK.

In each workshop we will do different arts & crafts activities. We will have fun, learn new skills whilst reflecting on our cultures and how important they are for us and our children.

Wednesday 11.00 AM - 12.30 PM

21 October | 4 November | 25 November | 9 December
13 January | 3 February | 24 February | 3 March | 17 March

The online link will be sent after you register.
